The B.Voc. programme is focussed on universities and colleges providing undergraduate studies which would also incorporate specific job roles and their National Occupational Standards (NOSs) alongwith broad based general education.

- (i) Bachelor of Vocation (B.Voc), a Bachelor level degree specified by UGC under section 22(3) of UGC Act, 1956 and notified in official Gazette of India dated 19th January, 2013 be recognised at par with the other Bachelor level degrees for competitive exams conducted by Union/State Public Service Commission, Staff Selection Commission or other such bodies where the eligibility criteria is "Bachelor Degree in any discipline".
- (ii) Students with B.Voc. Degree should be considered eligible for the trans disciplinary vertical mobility into such courses where entry qualification is a Bachelor Degree without specific requirement in a particular discipline.

With kind regards,

Yours sincerely,

(Jaspal S. Sandhu)

THANKYOU

The image shows a computer monitor on a desk. The monitor's screen displays a dark blue background with a yellow airplane icon in the top left corner. A dashed white line traces a path from the airplane, curving across the screen. In the background of the screen, there are faint, illegible text blocks and a circular graphic element. The word 'THANKYOU' is prominently displayed in the center of the screen in large, bold, yellow letters with a white outline. The monitor is surrounded by desk accessories: a pen holder with pens on the left, a pair of glasses in the center, a keyboard in front, and a potted plant on the right. The background is dark with out-of-focus yellow lights.
